“ I am so sorry to hear of B.C. passing. I had the opportunity to meet the Carlyle's through B.C.s mother. I rented a house form her, back when I lived in Kinston . Just to share with you how wonderful these people were, Mrs. Carlyle dropped the rental price on her home so I could rent from her. I stayed there a few years and met some of the family throughout my stay. Stuart lived right behind me. Shag and B.C.always looked after the things I needed. It was a wonderful opportunity to have such an awesome family in my life. I am so sorry about your loss. Mary Elizabeth Hooks, Asheville, N.C.

“ Coach Carlyle and family. You are all in my thoughts and prayers. I didn't know your father personally but I know what an inspiration and wonderful person you were to me during your time at Four Oaks. And if he was your father he had to be an incredible man. “ Our family was so sad to hear about Mr. BC's passing. We just had the opportunity to play golf with him a few weeks ago. None of us played really well, but we enjoyed the company! When he recently left his clubs on the back of the golf cart, I joked with him and told him that I used them. He said, "They're good clubs, aren't they? Use 'em any time!" His smile and sense of humor were always a bright spot for us and we will dearly miss him! All of you are in our prayers. We hope you will find some comfort in the beautiful memories Mr. BC leaves behind.

“ Mary Bryan, Wheeler Coy, wife Sharon, Shag and Betty Jean and to all the rest of the Carlyle family i am so sorry to hear that uncle BC had Passed away. Your dad was a great man and bother, Uncle., The last time that i saw him was when my dad was in the rest home he came up and mainly sit with me for several hours, Of course my dad was sleeping when he came in and BC told me not to wake him. His thoughts and conversation that we had for the several hours that he was there was so comforting to me. He talked to me about alot of things, what dad and him use to do (play golf,) and the things he went thru when your mom passed away with lung cancer. He told me that it was a hard thing to go thru but with Gods help and family he did make it thru. He loved all his kids, he talked to me about what you all were doing and how proud of you he was of you kids. He talked about his brother Shag. he talked about my dad and my brothers Keith and kirby. When he I left that day, I really was visited by an angel of God, even though he was a human man what he said and did changed alot of how i think. He was full of Wisdom He will be truly missed. You all are in my thoughts & prayers
